Lead Pastor Search

TICF is a Bible-based church of people who come from many different denominations. We focus on the essentials that unite us within our historic Christian faith. The Bible is the foundation of our church. Every person should be made to feel welcome, involved, and equipped to grow spiritually. We are on a mission to grow in Christ, display unity, and love our community.

We are searching for our next Lead Pastor who will continue to shepherd our growing congregation. We have a strong foundation built over a 20 year history, effective ministries, a part-time staff team, and volunteer ministry leaders who make TICF a place where people look forward to gathering every Sunday.
